Marvel Avengers Lexikon der Superhelden Neuauflage

Superhero Alert: Unique MARVEL encyclopaedia with original illustrations!

This new edition brings together all the important facts about the superpowers and origins of the Super Heroes and their enemies from the extremely successful MARVEL universe. The comics have inspired a popular series of films, which have been seen by 38 million viewers in Germany alone and many more worldwide. More films are planned.

This book lists over 200 heroes and villains from the MARVEL comics. They are presented on full-page portraits with more than 600 original comic illustrations. The encyclopaedia contains all current developments of the characters. Thanks to a handy size and short texts, the book is perfect for quick reference for adult readers and an exciting read for children aged 8 and up. The legendary heroes and villains of the Marvel Universe gathered in one volume! This MARVEL encyclopaedia is indispensable for all comic fans.
